

## ***What People Are Saying About Anthony Drago***

*Anthony Drago is as genuine of a person as I have met in basketball. He has as much heart as any coach I've played for and he puts it into what he does for other people. He is all about believing in having your spirit right, and what that can do for yourself and others in whatever you do in this life. He's real with you.*

**- Steve Weingarten** Pro Basketball Player

*As an NBA Player Agent, operating out of one of the largest Basketball facilities in the country, Basketball City, I deal with a lot of trainers. Anthony Drago is one of the best in the business. I can say that from personal experience, without hesitation. His approach is unique, his methods are tested and his professionalism is unwavering. I highly recommend any players looking to take their games to the next level, to go see Anthony.*

**- Steve Carter** MLM Multi-Million Dollar Earner and Entrepreneur

*Anthony Drago has one of the most creative and interesting minds I have ever come across. He has the innate ability to connect with a diverse group of people. His ability to not only speak what he knows and believes but to actually live by it, puts him head and shoulders above his competition. He also has the ability to put his own flare on the knowledge he obtains where something that may be difficult for most, can be simplified in a manner which a child can understand.*

**-Dami Sapara** Entrepreneur

*Anthony Drago is one of the best trainers I have had the pleasure to meet. His no nonsense, "Tell them what they need to know" approach is needed in today's progressive fitness industry. A certified trainer and student of human development for over 20 years, I have rarely if ever, come across someone who puts as much care, time and thoughtful consideration into building out a comprehensive system to reach better health and wellness than Anthony Drago". He is a great value to the Inspire Sport, better life through sports program and will be to anyone who reads "Go Prove Something! A Basketball Players Guide to Legally Using PEDs".*

**- Andre Wade** Founder/CEO Inspire Talent Brand Management

**- Steven P. Guarnieri** Firefighter, NYC Fire Department

*I have Known Anthony for over a 1/4 century and over that time, Anthony not only shows great attention to detail that makes him proficient in everything he does, but he has an extreme passion, dedication and a no quit attitude with everything he involves himself with. His love of mentoring and improving not only those he works with but his thirst for knowledge to better himself is unmatched by anyone I know. With his continuous competitive drive on top of all above mentioned attributes, to not read nor even consider “Go Prove Something! A Basketball Players Guide to Legally Using PEDs” as a viable need, I have to seriously question your commitment to self-improvement and awareness.*

**- Ronald D. James** Father, Coach and Entrepreneur

*When it comes to success and preparing the mind I have not met anyone like Anthony Drago. He has helped me and many train our minds to be successful at anything that we put our minds to not just basketball. A true believer that anything and everything is possible.*

**-Michael Balogun** Future Pro Basketball Player

*It is quite evident that Mr. Drago certainly understands the power of the mind as he so elegantly describes in his book “A Basketball Players Guide to Legally Using PEDs”. I absolutely love the analogy the author used defining the importance and power of approaching everything you do in life with the appropriate mindset. In doing so, we can literally control our own destinies. This is a very strong and much needed message, not just for an aspiring basketball player looking to enhance their performance but also for anyone looking to enhance everyday performance in their own lives. “Go Prove Something! A Basketball Players Guide to Legally Using PEDs” is a definite must read.*

*Anthony “Yoda” Drago was the best training coach and motivator I ever had because his teachings went way beyond basketball. It wasn’t about just preparing me to abandon bad habits but making sure I created and became accustomed to new ones. It wasn’t about just learning how to move my body properly but how to properly move my life toward the right path. Sometimes I cried tears of joy and sometimes tears of pain. All of the sacrifices he made to make my time in New York enjoyable was appreciated and will always be appreciated. You see those movies about people saving / changing other people lives, **Yoda** did that for me. And for that I will forever be grateful.*

**- Julien Bendeke** Microbiologist

*My brother from another mother, Anthony Drago, is and will continue to be a person that stands out from the rest when it comes to developing our youth. His passion and attention to detail is unlike anything I have ever seen in the basketball world. I have traveled all over this country and worked with some of the top trainers and coaches out there and the one thing I can say with complete conviction is that you would be hard pressed to find a more dedicated person than Anthony focused on developing our youth to be as successful off the court as they are on the court. That is why everyone needs a copy of his book “Go Prove Something! A Basketball Players Guide to Legally Using PEDs”.*

**- Tony Devine** Creator of The Original Profender

*I recently had the privilege of reading “Go Prove Something! A Basketball Players Guide to Legally Using PEDs” by Anthony Drago. This book is a slam dunk! Anthony is a premier basketball athletic skills coach and his book has the basketball edge to it but I don’t care if you play another sport, are a businessman, or someone just wanting to change your life...this book is a must. Anthony does what most don’t when writing a book about sports, he addresses the mind, body, and skills needed to succeed. I highly recommend this book for student/athletes as well as coaches and trainers. The straight forward strategies Anthony uses will help you develop a roadmap to success!*

**- Lee Taft** Multi-Directional Speed Coach ([www.leetaft.com](http://www.leetaft.com))

*I had the pleasure of meeting Anthony Drago several years ago when he was on the Tottenville High School basketball team. At that time he was a hard working individual who demonstrated true leadership qualities. 15 years later he worked as a coach and mentor with my Shoot for Success basketball training program. He trained some of my top Division 1 players which I believe helped get them to the next level. Through his experiences he has now been able to translate his journey in a captivating story to share with the world. I know “Go Prove Something! A Basketball Players Guide to Legally Using PEDs” will be an inspirational story for anyone at any level to relate. I am looking forward to reading it again because he has the tools to extract greatness from anyone open to receiving his powerful message.*

**- Gerry Mosley** Shoot for Success Founder & Coach

*Go Prove Something! A Basketball Players Guide to Legally Using PEDs” is a refreshing, must read for all parents and young players who truly want to improve their games and reach for greatness. PEDs sound like drugs but trust me it is not an illegal substance rather an approach to life and basketball that is both physical and mental. The Performance Enhancement Training road Anthony takes you down shows many unique insights and training methods that will definitely open your eyes. Anthony’s desire to help others comes through so easily when reading this book. I am so glad I read it and you should read it to*

**- Ron Naclerio** Cardozo HS Boys Basketball Coach & Most wins in NYC PSAL History

*In Drago's highly-motivating book, basketball becomes a powerful metaphor for life itself. A book every player and player's family should own.*

**- Steve Chandler** Author, Crazy Good: A book of CHOICES

*As an author, speaker and mental toughness trainer, I've built my brand by consistently learning from the best thinkers in the world who are truly committed to serving. After reading Go Prove Something, I realize that Anthony is one of those up and coming people that we will all continue to learn from for years to come.*

**- Chris Dorris** The Mental Toughness Coach

*Did this guy just encourage me to use drugs???? Well yes and no! In "Go Prove Something", Anthony does an incredible job of helping us to see the ADDICTIVE and IMPACTFUL nature of using something far more powerful than illicit drugs to shape our minds, master our "inner game" and create the level of performance that so many of us desire.*
